

Rugby Local Plan Examination

Draft Hearings Programme

This document sets out the programme of hearing sessions for the examination of the Rugby Local Plan. Further information about the examination, hearings and submission of written statements in response to Matters, Issues and Questions have been published alongside this programme.

Only people who are seeking to change the Local Plan and have made duly made representations have a right to participate in the hearing sessions. However, people will be able to observe the hearings.

Any changes to the programme will be publicised in advance of the relevant session. Interested parties are advised to check the examination website for updates.

Each hearing session will be topic based, not necessarily by policy number. Participants should therefore check that they have been allocated the correct session. Please contact the Programme Officer if you are unsure.
